# @wingate.edu

A yearbook is meant to reflect the year at an institution, to emphasize the most important aspect of that year. With Wingate University experiencing so much change and growth, we decided to let the pictures tell the story. There are no appropriate words to describe this university to its capacity. Only through images can we even begin to illustrate the impact of the year upon Wingate, the premier small private university in North Carolina.

The theme for this book is @wingate.edu, and through it, we hoped to touch upon every detail of what makes the university unique. There is no single detail that makes Wingate special, but a mosaic of many qualities that blend together to create an institution like no other.

With each turned page of this book, we sincerely hope that you will experience the 2000-2001 academic year at Wingate all over again. Relive Homecoming, Parents' Weekend, and the plays and concerts attended. Reminisce over the games and tournaments of sweet victory or bitter defeat. And remember the fun times, the difficult days, and the learning experiences that changed each and every student in some form or fashion. This year at Wingate will never happen again, but it can be relived through the pages of this yearbook.

# student life

This year Wingate students had an exciting new change. The Jefferson at Wingate apartments brought on a whole new aspect to university life. This brought students together in more of a community setting which produced many new friendships and more opportunities for social gatherings.

Along with the new apartments came renovations to the cafeteria. These changes in appearance, options, and overall good taste were welcomed by all.

Throughout all the changes at Wingate, students were able to come together and form a more unified community in our Wingate University family.

# A NEW DIMENSION

With the opening of the new Jefferson at Wingate apartments, many students were made to move back on campus, establishing a new community atmosphere. Any student under 21 was required to live in university housing, which brought the student body back together.

Six new apartment buildings boasting two or four bedrooms, two bathrooms, a fully-equipped kitchen, living room, and washer and dryer were built last year in an effort to unify the student body by providing enough housing for all students. While the adjustment was difficult at first for many students, in the end, the new apartments were a welcome sight on campus.

North campus apartments were still available for those students who were unable or had no desire to live in the new apartments. The honors apartments were renamed and they joined the older apartments to become the housing dubbed North Campus.

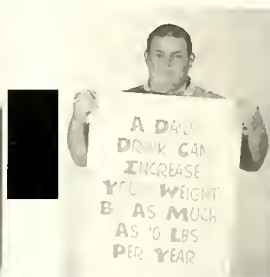

Along with the construction of the apartments came a new clubhouse designed to encourage student activities on campus. The clubhouse featured computers with internet access, a big screen TV and a fitness center. Behind the clubhouse was an outdoor pool and sand volleyball court, which hosted many games on warm afternoons.

All in all, most students enjoyed the new provisions offered by the university to accommodate students. The apartments definitely brought a new dimension to housing on campus.

# FRESHMEN INVASION

Residence life had a face lift this year with the opening of the Jefferson apartments in the fall. The freshman class took over the residence halls. Being new on campus was a challenging experience for all freshmen, but at least some residents did not have to deal with roommates. Alumni residents moved in to their own room and did not have the worries of how they would get along with their roommate. Other students in Helms and Cannon Residence Halls were not lucky enough to have their own rooms. These students had to learn how to live with a person who quite possibly didn't share many of their interests or experiences.

But whether residents had a roommate or not, they all had a great time getting to know one another. Many passed time by gathering in the lobbies of the residence halls or sitting in the halls talking with others. Friendships were made that would last a lifetime, or at least the four years that would be spent at Wingate.

# ON A MISSION

For many students at Wingate University the summer months provide a time to escape from the stress of classes. Many students travel home to work or be with their family, while other students choose to spend their time in a different way.

Many students spend the summer months on a mission—a mission to share their faith and spread God's love. Some students opt for a short-term project to get a feel of what it is like being on the mission field. In May 2000, a group of Wingate students, along with Campus Minister Paul Baxley, traveled to Malone, New York. In New York the students held worship services at several churches and did construction work. Sophomore, Tracey Abramzyck stated that the trip opened her eyes to the spiritual needs of others in her own country.

Junior Rachel Satterwhite took a semester away from Wingate to work with YWAM (Youth With a Mission). For three months Rachel was in Colorado going to a discipleship training school. Afterwards, she traveled to London, Cyprus, and Jordan where she was involved in different outreach projects such as painting and drama teams.

Even if students remain in the states, rather than serving in the "jungles of Africa," their goal remains the same—to spread God's love.

# NEW & IMPROVED

Since its days as Wingate Academy in 1895, Wingate University has gone through many changes. This year was no different. When students returned in the fall, they found that it wasn't quite the same school that they had left in the spring.

This year marked the opening of the new apartments. Jefferson at Wingate gave students all the comforts of home while still maintaining that "dorm life" feeling. Complete with a swimming pool and volleyball court, the Clubhouse also made its debut at Wingate in 2000. Burnside-Dalton had a new look with its new glassed art studio, too. When students returned to the cafeteria, they found a newly renovated W.T. Harris Dinning Hall.

With all of the new additions to the campus this year, there were some buildings that were torn down. Students found that Bridges-Rushing as well as Belk Residence Halls were gone. The Lowery art studio was also a casualty of change.

Another added feature this year was the parking issue. For the first time, students and faculty received twenty-five dollar parking tickets for parking in the wrong places. This was not one of the more welcomed changes this year.

# DATING & RELATING

Many couples are happy in love here on campus, and when interviewed, they have a lot to say about their significant others. Here are a sample of some couples on campus and their responses to their own relationships.

♥ Jackie Reis and Ryan Hunter have been dating for three wonderful years. Jackie says "Ryan has gorgeous eyes" and Ryan replies, "I love her beautiful smile."

♥ Katie Strand loves her man's (Ian Hill) eyes. They met each other while here at Wingate. He's a neat freak, said Katie, yet she loves everything about him.

♥ Lauren Whan and Gary Fischer have been dating a little over a year and met one another at the Rolex Tennis tournament. They love to eat Thai food at the Thai House and go at least once a week.

♥ Kim Westerberg and Ben Davis also met at school through the Outing Club. However, their relationship did not begin until they spent a semester studying together in London. This couple's song is "Amazed" by Lonestar.

Students display their creativity in their costumes as they head out to celebrate Halloween at the Delta Sigma Phi Halloween Bash at Casey's in Monroe.

# THE PARTY SCENE

Living on campus this year made it easier for students to partake in parties sponsored by the school and sponsored by school organizations. Everything from Delta Sigma Phi's Halloween Bash to the Senior Party sponsored by the Senior class took place this year. Students generally did not have to wait long for the next party to come, as there was usually another fiesta coming within a couple of weeks.

APB sponsored a good number of the parties on the University property. Who could forget the Mardi Gras Suitcase Party where one lucky winner could take three of her or his friends with them on a trip to the Biltmore House in Asheville, with all expenses paid. APB also assisted Dr. McGee in sponsoring his annual Superbowl party. One thing was certain at all the parties held in Ames Turnout, there was always food. If it wasn't water and potato chips, it was soda and hot wings.

Wingate organizations also held parties off campus. The favorite spot for these occasions seemed to be Casey's. This establishment allowed students to go have fun without leaving the county. The Halloween Bash was at Casey's along with the Senior Party.

This year the parties at Wingate had better turnouts than seen in past years. All who attended and helped made each event a success.

by Todd Bergel

**Jason Galloway** gets enthusiastic about his favorite team during Dr. McGee's Superbowl party. Many students attended the party to show support for their team, as well as get a bite to eat.

**Rhett Brown** is all smiles after receiving his Masters degree at the Graduation Ceremonies.

# events

Wingate provided many great opportunities for students this year. Beginning with Freshman Orientation, the university brought students entertainment through Edwin McCain and Wingate's year after year favorite hypnotist, Jim Wand. Soon after, students left for Wingate-in-London and, the newest semester abroad, Wingate-in-Hong Kong.

This year students were again able to experience the traditional Lyceums and a wide variety of entertaining theatre productions.

Spring semester brought on an exciting new addition to the already successful schedule of events. *A Symposium: The Fine Arts of Being Southern* gave Wingate students along with the community an opportunity to see, hear, and interact with well respected writers, musicians, and artists. This year the events at Wingate were entertaining as well as educational.

--The Gate

As the final event of Orientation week, Edwin McCain performed in Cuddy Arena. Despite his popularity, attendance to the event was only average.

# freshmen Orientation

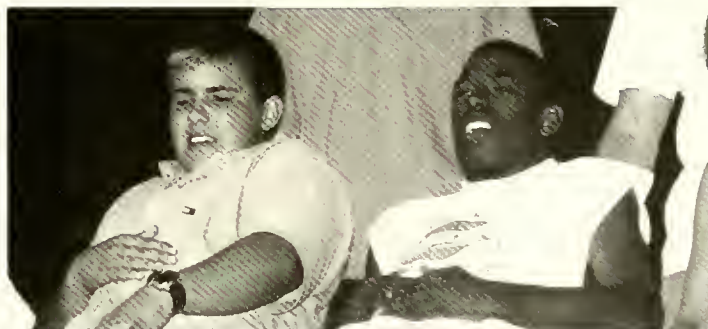

---

The theme of Orientation 2000 was "Playing by the Rules" which is very relevant to the Class of 2004 because freshmen have many "rules" to learn about the academic, social, and spiritual aspects of life as a student at Wingate University. The theme was taken from the required text for Freshman Experience entitled *If Life is a Game, These are the Rules* by Cherie Carter-Scott, Ph.D.

Orientation kicked off with Move-In Day where freshmen were introduced to life in the residence halls and an unknown roommate. In addition to moving in and meeting new people, there were placement tests to take and activities to participate in. Amid all of the chaos, everything was accomplished including financial check-in, receiving of student identification cards, and buying of books. Yet there was still room to have a little bit of fun.

Some of the highlights of Orientation 2000 were comedian Michael Dean Ester who was hilarious and the mentalist Craig Karges who blew our minds. All things considered, Orientation 2000 was a success.

# family Weekend

Family weekend began on Friday, September 22, as parents came from near and far to reunite with their sons and daughters. The Student Government Association and the Activities Planning Board planned great fun and excitement for the whole family.

All students and their family were invited to attend *The Importance of Being Earnest* by Oscar Wilde. This British comedy was presented by the Wingate University Theatre and was performed in the Hannah Covington McGee Theatre.

Saturday morning, professors were available to meet their student's family members and to answer any questions about their child's progress in class. Due to uncontrollable rain, professors and family met in the DPC instead of the Academic Quadrangle.

In the afternoon, everyone was invited to attend a tailgate party under the Bulldog Tailgate Tent prior to the football game at 1:30. The football game against Tusculum brought families together to cheer for a Wingate victory.

Sunday morning started off with a campus worship service at Wingate Baptist Church. Later in the afternoon, students and their family were invited to attend a baseball scrimmage game at the Ron Christopher Stadium.

Other events throughout the weekend included an ice cream social in Ames Turnout and a night swim with siblings in the Cannon Complex. Students were also encouraged to attend a sleepover with their brothers and sisters in Ames Turnout.

The rain couldn't dampen spirits as parents met their student's professors in the Academic Quadrangle.

The football game against Tusculum was a disappointing loss for Wingate, but still a lot of fun for students and their families.

# Wingate in London

by Katie Hadden

On Wednesday, September thirteenth, eighteen students boarded British Airways flight #2006 non-stop to London, England. Here they would live and study for the next ninety-nine days until their return in December. Junior **Rob Deitz** described the event as, "Exciting! I was really looking forward to the opportunity to travel and see other countries." Upon arrival at Gatwick Airport, the students were immediately involved in tours, moving into their flats at Kensington House, and very quickly adapting to a new schedule. "It was a lot of fun. I was so excited to finally be there that I really didn't feel any jetlag. It was like the first day of summer camp!" explains senior **Kim Reynolds**. The students studied world religions, medical ethics, British literature, art in London, theatre, and geography three doors down a the CAPA on Monday through Thursday. This provided long weekends that most students used for traveling. A group trip was

taken to Scotland, Plymouth, Kent, Stonehenge, and Bath. Students also took several outside trips on their own time. After a weekend in Europe, the students were usually glad to return home to the familiarity of the hometown of London, England.

With final exams over and Christmas decorations filling the streets and squares, students began to anticipate the departure date of December 22. "I knew it would never be the same after spending three months in England. I was a little hesitant to leave," sophomore **Billy Kohler** comments. However some students felt the draw back to the States a little more than others. Sophomore **Matthew Emery** adds, "I really enjoyed the time I had that semester but I was also looking forward to coming home. I have no regrets."

Stonehenge is just one of many sites the students were able to visit.

# Lyceums

This year students were not disappointed by the Lyceum events that Wingate provided. To kick off orientation and the fall semester Edwin McCain and Eric Saperston performed. Doug Marlette also visited and shared many of his editorial cartoons. Wingate University Theatre presented *The Importance of Being Earnest*, and Aaron Whittington, who wrote and starred in his own production of *Life in the Southern Fast Lane*, was a true experience. Also beginning in the fall, Campus Ministry sponsored Thursday morning worship services weekly in the Recital Hall.

For the spring semester, the Canadian Brass, celebrating its 30th anniversary of music, came as part of the Concert Series. Wingate University Theatre and the Department of Music entertained us with *Snoopy!!!*. The Symposium: *The Fine Arts of Being Southern* allowed students to meet many famous people, such as Doc Watson, Clyde Edgerton, and Tim McLaurin. This year's Lyceum Series was closed, as always, with Baccalaureate as Dr. Joe Brown from Charlotte spoke.

Miss Prism (**Kim Westerberg**) and Cecily (**Mary Schofield**): "Memory, my dear Cecily, is the diary that we all carry about with us."

# The Importance of Being Earnest

## Words from the director:

Recently my wife gave me a magnet with a quotation from Oscar Wilde—*Life is too important to be taken seriously*. She knew that I would love that statement! Not that I believe that all life experiences should be taken lightly. Tragic things do happen. But I interpret Wilde's words to mean, day by day, moment by moment, LIVE!! Carpe Diem!! I know too many people who get so caught up in the "seriousness of life" that they miss enjoying life...and I feel sorry for them. The serendipitous happenings along the way pass these "serious people" by!! Wilde's own description of *The Importance of Being Earnest*—"exquisitely trivial, a delicate bubble of fancy." So I invite you to put aside your scholarly analysis of this high comedy, and laugh and enjoy these characters. "Don't take it seriously!"

by Larry Coleman

Algernon (**Jonathan Wear**): "I have Bunburyed all over Shropshire on two separate occasions."

Jack (**Rob Hartley**) and Gwendolyn (**Jamie Marko**): "There is little music in the name Jack... It produces absolutely no vibrations!"

# Homecoming Festivities

Homecoming 2000 began with a fun-filled spirit week sponsored by APB. Monday was GQ day where students came to class dressed in their finest. Tuesday held the annual Field Day where there were many activities from gladiator fighting and sumo wrestling to tug-of-war. Way Back Wednesday consisted of each class dressing as a different decade – freshman as the 1950's, sophomores as the '60's, juniors as the '70's, and seniors as the '80's. Thursday was the everyone's favorite as PJ Day, and Friday was blue and gold day where students and faculty showed their school spirit by sporting the school colors. The parade and game were Saturday, as always, and as a new addition, the Homecoming Reunion took place this year. Ten former Homecoming queens took part in the ceremonies at halftime. Despite the football teams disappointing loss to Presbyterian 0-49, Homecoming 2000 was an eventful week.

After more than twenty years of directing, the theatre process continues to fascinate me! The joy of bringing a theatre production alive is a collaborative effort of many people. For those of you who will experience this production only as an audience member, allow me to share a few insights about the people that have been involved in this particular production process. This show has some of the most talented young (and old!) people I have ever had the privilege with which to work. Bill, you are a masterful, professional musician and a great fellow. The cast and I give you a resounding "standing ovation!!" The group of musicians working with you in the pit are outstanding. John, your vocal expertise is so evident in all of the musical numbers on stage. Nick, you are a genius, not only with lights but also with virtually everything you undertake. Bryan, your skill with sound is amazing. Abby, I love your eagerness to be involved with even the simplest of tasks and your ability to share energy and fun with everyone who comes in contact with you! ("Who's your Daddy?") Delores and Barbara, thank you for all the "behind-the-scenes" work! And lastly, Rob, Scott, Kelli, James, Laura, Jamie, and Mike - as performers you have brought to life these delightful Peanuts characters in such a way that I'm sure Charles Schulz himself would applaud you! I have been blessed to work with all of you on this production!

# Wingate University

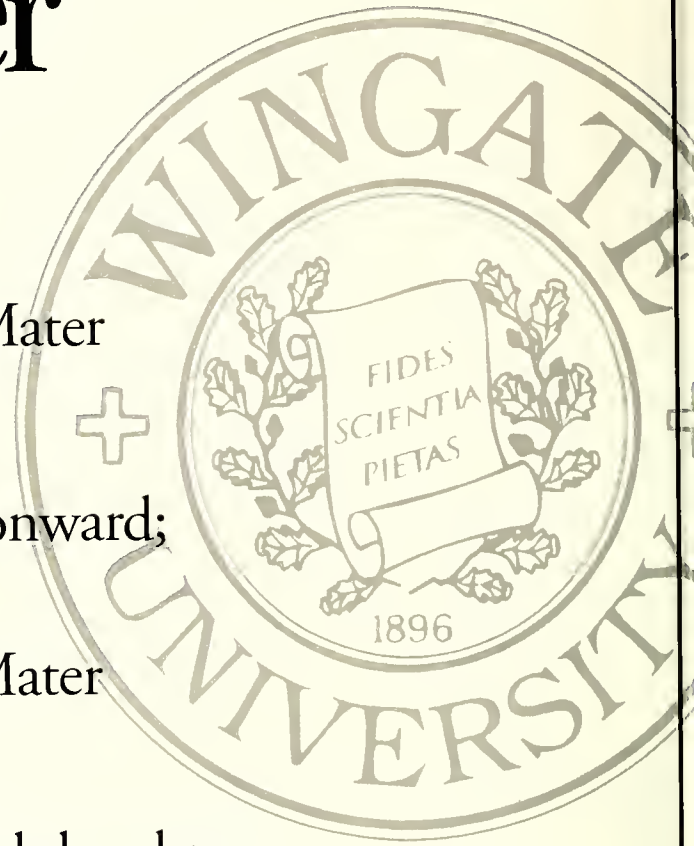

## Alma Mater

In the land of Carolina  
Neath the sky so blue,  
Stands our noble Alma Mater  
Glorious to view

Lift the chorus, speed it onward;  
Loud the praise relate.  
Hail to thee, our Alma Mater  
Hail! All Hail! Wingate!

Far and wide her sons and daughters  
Bear the gold and blue  
Proudly rally round her banner,  
Hail! Wingate to You!

Lift the chorus, speed it onward;  
Loud the praise relate.  
Hail to thee, our Alma Mater.  
Hail! All Hail! Wingate!

# academics

Wingate offers many educational opportunities and prides itself on the achievements of its students. To accomplish this, Wingate no longer hires anyone without their terminal degree.

However, the faculty alone do not make Wingate's students who they are. Many other people also go out of their way to help students. The support staff and administration try to work along with students to make Wingate University the best it can be.

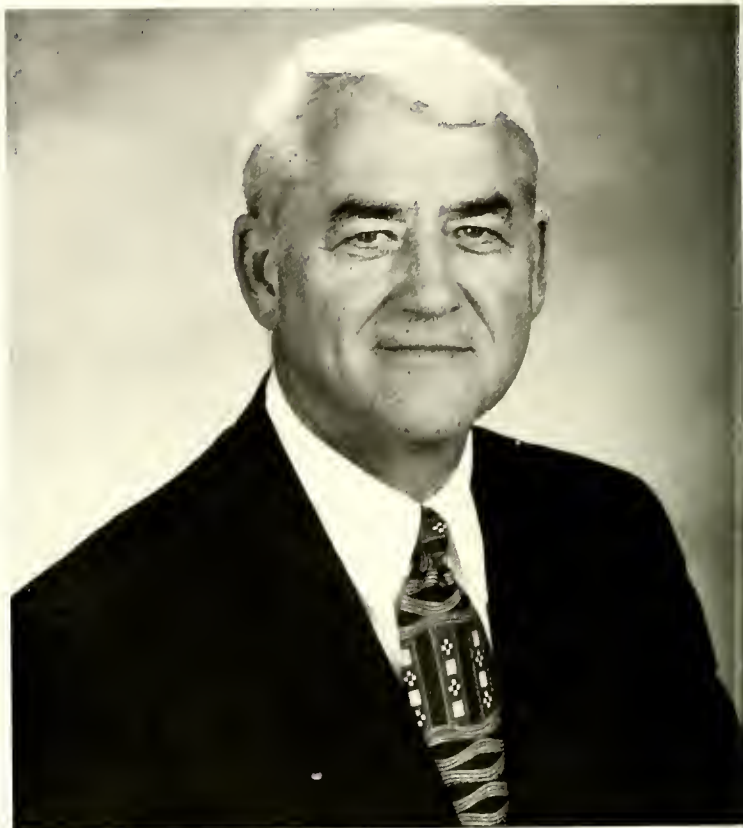

In the Jefferson clubhouse, also known as Sowder Commons, new computers were added which made the internet more accessible to students. If information could not be found online, then the Ethel K. Smith Library was willing to locate materials to meet students' needs.

With the excellence of Wingate's students, many awards were given to recognize the achievements of these exceptional people. The University also provided many scholarships to reward intelligent students for their dedication to excellence.

The Wingate Athletic Department had many changes throughout the school year, one of which was the new athletic director, Doreen McAfee, through whom many other changes came. Many new coaches were brought in and much success was accompanied by this.

Both the men's basketball and cross country teams had new coaches, and both did exceptionally well, as did many of the sports at Wingate University. Other sports with new coaches included golf, women's soccer, football, and the women's swim team.

Despite the changes the athletes at Wingate University lived up to the long standing traditions of hardwork, sportsmanship, and winning.

Kenyatta Stackhouse runs past the defense, advancing the Wingate football team the precious yards needed to make the scoring attempt.

# Men's Soccer

Heading into the 2000 season, expectations for the Bulldog men were high. The year ended up being a successful one, but it had not been what they had hoped. The Bulldogs completed the 2000 season 7-8-0 overall and 4-3-0 overall in the SAC. Wingate had nine matches decided by one goal, winning five. Plus, head coach **Gary Hamill**, Wingate's most winning coach, got his 100th career victory in a 2-1 victory over Queens College on September 7, 2000.

There was no shortage of senior leadership on the team with forward **Chris Hastings** and midfielder **Adam Denton** leading the team in scoring and assists respectively. Several underclassmen made an impact as well. Sophomore **Ben Hill** was second on the team in scoring, freshman **Ryan Potts** ended the season with two hat-tricks, and sophomore midfielder **Paul Costick** tied for third on the team in scoring. Wingate had six players make All-South Atlantic Conference. Leading the way was freshman goalkeeper **Philip Poole**, who earned SAC "freshman of the year" honors.

In addition to Poole, three players made first team All-SAC: **Adam Denton**, **Chris Hastings**, and senior defender **Tommy Davies**. **Paul Costick** and junior defender **Chris Aiken** both earned the second team All-SAC honors.

# Women's Soccer

Ladies' soccer won a school-record tying 11 matches for the season. The Bulldogs completed the 2000 campaign 11-7-0 overall and 3-4-0 in the South Atlantic Conference. Wingate's three SAC wins are another school-record. The Bulldogs scored 53 goals in 2000, after tallying only 16 markers in 1999. Most of the women's success was credited to the mid-year replacement coach, **Andy Thompson**. A native of Fayetteville, Georgia, Thompson served as the assistant coach before replacing former head coach **Geri-Lynn Dubay**.

The 2000 season started with a three-game winning streak, including an opening day 4-3 double-overtime win versus then #7 Belmont Abbey. During a four-game winning streak in the middle of the season, goalkeepers **Elizabeth Rogers** and **Becky Blankenship** combined for four shutouts. On October 16th, freshman forward **Julie Law** scored a team-high four goals in a 4-2 victory over USC Aiken.

After a promising beginning to the season, injuries took their toll. As a result, the Bulldogs lost their last three games.

**Julie Law** and sophomore goalkeeper **Elizabeth Rogers** made first team All-South Atlantic Conference. Senior midfielder **Jan Myer** and freshman defender **Michelle Bradbury** made second team All-SAC for the 2000 season.

The Bulldogs finished fourth in the regional under head coach **Dennis Johnson**, giving Wingate's best ever NCAA regional showing. Through most of the season the men were ranked third in the Region.

Senior **Todd Bergel** and sophomore **Matt Stueck** both earned All-Southeast Region honors. In the South Atlantic Conference cross-country meet, Wingate finished fifth. Three Wingate runners made All-SAC: **Bergel, Stueck and Ryan Jones**. Both **Bergel** and **Stueck** earned All-SAC honors in 1999.

The men's impressive season included a second place finish at the Catawba invitational and win at the pre-conference meet in Tusculum. At this meet the Bulldogs were able to place three runners (**Bergel, Stueck, and Jones**) in the top five, with **Bergel** winning the invitational.

The Wingate women finished sixth in the SAC cross-country meet. Leading the Wingate women was freshman **Kelli Miller**, who finished 19th. The highlight to the Lady Bulldogs season was the victory on the Wingate course. **Sarah Grivas** took first in the five thousand meter race. The Bulldogs graduate only one senior, **Alicia Martin**, from the 2000 team. The women look to this year's impressive freshman class along with sophomore **Amy Causey** to lead the team next year.

# Lacrosse

The Wingate lacrosse team reached new heights this season as the Bulldogs made their first-ever appearance in the NCAA Division II men's lacrosse playoffs. Wingate spent the majority of the season ranked in the United States Intercollegiate Lacrosse Association (USILA)/NCAA Division II lacrosse rankings as they finished for a three way tie for second place in the Deep South Conference. The Bulldogs qualified for the NCAA Division II men's lacrosse championships under coach **John Dodd** in only Wingate's fifth year of intercollegiate men's lacrosse.

This year, Wingate graduated several influential seniors from the lacrosse program, including defensive player **Nick Tonno** and **Kris Dietrich**. Senior defensive players **Steve Gorham** and **Adam Griffin** stepped up to play their last year, as **Gorham** ended his career as the team's joint producer in 2001 with 32 goals and became the first team player to pass the 100-assist plateau. **Curry** became the first athlete in Wingate's lacrosse history to score 100 goals.

Four Bulldogs earned All-DSC honors for the season. In addition to **Tonno** and **Gorham**, sophomore midfielders **Ian Hill** and **Drew Penny** earned spots on the honor list. A first team pick, **Hill** had 29 goals this season as his teammate **Penny** landed on the second team.

Many students joined fraternities and sororities to enter into the close brotherhood that could be found in them. These organizations took an active part in service projects and other events on and off campus.

Rush was a truly exciting time for each man or woman that chose to participate in it. During this time, men and women had the opportunity to explore what each and every fraternity and sorority had to offer them. Then the week came to a close as the fraternities and sororities handed out bids to each of their pledges.

Greek Week provided another opportunity for each fraternity and sorority to prove itself as the best. Each group worked hard throughout the year to show that their organization was reputable and consisted of honorable men and women.

# Φ PHI BETA SIGMA B Alpha Beta Zeta Chapter Σ

The Alpha Beta Zeta Chapter of Phi Beta Sigma Fraternity, Inc. was founded on April 1, 1999. We are the first historically black organization to grace the campus of Wingate University. We strive to achieve the highest levels of business and service to achieve the goals of our principles.

This year's projects focused on getting the University involved in the community. With events such as an annual block party, step show, and Miss Phi Beta Sigma Pageant, we seek unity in our university and community.

The brothers of Phi Beta Sigma achieved excellence this year. We were the number one chapter in North Carolina, and we represented Wingate and the state in a regional competition. We had the highest grade point average of all Sigma chapters in our region, and brothers **Barney Harris** and **Brandon Crumpton** had the second and third highest grade point averages in the region.

The brothers of our fraternity seek excellence in all we do. Anything less than the best would be uncivilized!

# PI KAPPA PHI Eta Mu Chapter

The brothers of the Eta Mu Chapter of Pi Kappa Phi pride themselves on striving to attain the highest goal of academic achievement, community and campus involvement, raising money and awareness for the severely handicapped, and being leaders in the Greek community here at Wingate University. Our national slogan is "Building Better Men." Each year we look to offer this opportunity to young men who seek to attain these lofty goals of self-betterment that we have set for ourselves.

This year was a successful one for our chapter. We were recognized for our efforts in community service with the ARC of Union County. They awarded us with the Most Outstanding Involvement by an Organization Award, given to only one organization in Union County yearly. Eta Mu was also recognized for the most money raised by a philanthropy at the Greek Awards Banquet. And once again Pi Kappa Phi brought home the Greek Week Championship Award. This marks the third year in a row that we have won the most coveted fire hydrant. We have successfully accomplished this goal seven out of eight years.

More important than any award though is helping the growth of Greek life at Wingate University. Greek life is an important part of Wingate, and we Pi Kapps seek to represent the best of what Greek life at this campus has to offer.

# organizations

The organizations of Wingate University gave students the opportunity to become more involved on campus, and for some they provided the chance to use leadership skills as executive leaders in a group.

Some groups worked closely with administration to give them the students' view on many issues on campus. Other groups met daily to practice their musical talents. Academic organizations and honor societies were also present on the Wingate campus. Some of the largest organizations this year were the religious organizations where students are able to come together to worship.

No matter what interested the student, Wingate had a great variety of diversity in organizations to satisfy every students' personality.
